## WE PROTECT THOSE WHO ARE UNABLE TO PROTECT THEMSELVES

With more than 70 years of combined experience, the family law team at Joseph, Greenwald & Laake believes in working together to aggressively represent clients while ushering them through a complex legal process. Our skilled attorneys' experience includes contested trials, advantageous settlements, successful appeals of erroneous decisions and effective enforcement of violations of court orders.

Jeffrey N. Greenblatt is a seasoned attorney with 42 years of experience handling complex family law cases. Included, yet again, on this year's Super Lawyers list, he prides himself on providing the best possible legal representation available during a challenging time in a person's life. For more than 25 years, Greenblatt presented new appellate decisions in family law to the bar association, judges and magistrates.

Anne E. Grover, a principal in the firm's family law practice, is included on this year's Rising Stars list. She is skilled as a negotiator and a litigator. Grover has mentored several new family attorneys and excels in zealously representing her clients in hotly contested custody and financial cases.
